Mix'n Match: From 2,000 pieces, you can choose any colour combination.

The rPET material, which is produced in Europe from recycled PET bottles, is suitable for a durable and sustainable advertisement. Thanks to the European and ClimatePartner-certified production, the uma RECYCLED PET PEN STEP F makes an additional sustainable contribution to the protection of the environment.
Due to the special nature of the material (recycled PET material) production-related variations are possible.

0-2248: Twist ballpoint pen made from recycled PET material with opaque glossy housing.

0-2248 T: Twist ballpoint pen made from recycled PET material with transparent glossy housing.
